

Elementary Parent Portal Tips

1. You will log-in to the parent portal either through your school's website---For Parents tab or directly at:
<https://powerschool.bps101.net/public/>
2. If you have lost your password or are having trouble logging in, please send an e-mail to help@bps101.net
 (Please include your name and your child's name in the e-mail.)
3. When you are logged in, you will be immediately taken to the "home" screen that has a listing of your child's classes, teachers, and attendance:

If a class does not have a letter grade listed, please click on the "--" to see course information provided by the teacher.

4. Because elementary students do not receive traditional letter grades, you will not see an A, B, C, etc. next to each class (as you would if you also have BHS or RMS students at home). In order to access the class information, please click on the "--" next to the class listing.

If you click on the teacher's name in blue, your preferred e-mail on your computer will open an e-mail with that teacher's e-mail address already filled in.

If you click on the blue attendance numbers, you will see a list of dates of absences or tardies.

5. When you click on the "--", you will see:

Your child's teacher will give you more details regarding what you can find in their links and other information through their communication at Open House, Parent Conferences, or other avenues.

6. One last note:

You may notice that many of the PowerSchool features are related to GPA, grades, course registration. These areas are targeted for RMS and BHS students and parents.
